

# Storage and Compute Infrastructure

## The ARDC Discovery Activities application form

In completing the answers to the questions below, please be aware that you MUST respond to the selection criteria (refer to [guidance material](#)). Applications that do not directly address the selection criteria will lose points accordingly.

Once completed, submit your application via the [online submission form](#). Submissions close 5pm (AEST) Friday 10 May 2019.

ARDC may contact the project leader for further information or clarification.
